

AWARDS 2007

The following awards will be presented at the Annual Session 2007 of the Institute of Chemistry, Ceylon.

- **Institute of Chemistry Gold Medal**

Awarded for an outstanding research contribution in the use of any branch of Chemical Sciences for the development or innovation in industry or for national development in Sri Lanka. Credit will be given to the utilization of local raw material and where the contribution has already resulted in a positive impact.

- **Devanathan Memorial Award**

Awarded for an exceptional research contribution of an original nature in the field of Physical Chemistry and or related area such as Physical - Inorganic, Physical - Organic and Biophysical Chemistry.

- **Chandarsena Memorial Award**

Awarded for an exceptional research contribution of an original nature in the field of Organic Chemistry and/or related areas such as Bio-Chemistry, Pharmacognasy, Bioactivity studies etc.

- **Kandiah Memorial Awards**

Awarded for the best research contribution in chemistry carried out by a postgraduate student registered at a Higher Educational Institute and for work carried out in Sri Lanka, with the exception of special analysis that cannot be done in the country. These results must be less than 20% of findings. Sandwich programs carried out partially abroad do not qualify for the award.

Kandiah Award for Basic Chemistry:- For research predominately in basic Chemistry (Organic, Inorganic, Physical, Analytical).

Kandiah Award for Applied Chemistry :- For research in chemistry related areas such as polymer, food, biochemistry, biotechnology etc. where interdisciplinary research involved and research is involved and provided that chemistry has a central role and comprises at least 50% of the content.

Kandiah Memorial Graduateship Award:- For the best piece of research in the chemical sciences carried out by a Graduate Chemist of the Institute Chemistry, Ceylon registered with a Higher Education Institute for a Post Graduate Degree either by course work or research and for the work carried out in Sri Lanka.

Prof. M.U.S.Sultanbawa Award for Research in Chemistry Awarded for the best research paper presented at the international Conference CHEMTECH 2007 of the Institute of Chemistry Ceylon, for work carried out in Sri Lanka.

A separate technical session will not be held at the annual session 2007 of the Institute of Chemistry Ceylon.

Closing date for receiving applications/nominations for the above awards: 31st January 2007

Further information could be obtained from the Registrar, Institute of Chemistry Ceylon

Jt. Secretaries, Institute of Chemistry Ceylon

38th Annual Sessions of the Institute of Chemistry 2007

Date: 21st – 23rd June 2007

Venue: BMICII

Technical Sessions will not be held as a part of the 38th Annual Sessions. Those who were planning to send abstracts for the Technical Session should send abstracts to the themes in the CHEMTECH 2007 (page 7).

Closing date for abstracts will be 31st January 2007.
