

# JOURNAL OF THE GEOLOGICAL SOCIETY OF SRI LANKA

## Volume 16 (P.G. Cooray Memorial Volume) – 2014

### CONTENTS

SHANTINI AND COORAY AND DERYCK LAMING: Professor Percival Gerald Cooray - An Appreciation of His Early Years and His Work in Other Countries .....	1
AMILA SANDARUWAN RATNAYAKE, YOSHIKAZU SAMPEI AND CHAMINDA WIMAL KULARATHNE: Stratigraphic Responses to Major Depositional Events from the Late Cretaceous to Miocene in the Mannar Basin, Sri Lanka .....	5
S.M.P.G.S. KUMARA AND H.A. DHARMAGUNAWARDHANE: A Geostructural Model for the Nelumwewa Thermal Spring: North Central Province, Sri Lanka .....	19
SANJEEWA P.K. MALAVIARACHCHI AND P.L. DHARMAPRIYA: Preliminary Data on Platinum Group Element and Gold in the Highland Complex, Sri Lanka: A Search for Hidden Sulphide Saturation .....	29
D.T. JAYAWARDANA, N.W.B. BALASOORIYA AND W.A.P. WEERAKOON: Geochemical Characteristics of Hydrated Iron-Ore Deposit in Dela, Sri Lanka .....	43
P. KUMARATHILAKA, C.B. DISSANAYAKE AND METHTHIKA VITHANAGE: Geochemistry of Serpentinite Soils: A Brief Overview .....	53
K. AMALAN, N.P. RATNAYAKE AND S. WEERAWARNAKULA: Prospecting Sand Resources at the Continental Shelf in Offshore Galle, Sri Lanka .....	65
H.A.H. JAYASENA AND K.R. GANGADHARA: A Review on the Qanats in Iran and the Tank Cascade System (TCS) in Sri Lanka – Parallel Evolution Based on Total Environment .....	75
S.V.T.D. RAVEENDRASINGHE, M.K.C. JAYAMALI AND KAPILA DAHANAYAKE: Killer Landslide at Nichola Oya, Sri Lanka: Some Geological Aspects .....	93
P. HETTIARACHCHI, R.C. WICKRAMASINGHEARACHCHI AND H.M.T.G.A. PITAWALA: A Comparison of Fluxing Effects of Granite and Feldspar on Red Clay Body Composition .....	101
N.P. RATNAYAKE, U.G.A. PUSWEWALA, S.P. CHAMINDA, E.M.T.M. EKANAYAKA AND M.N. JAYAWARDENE: Evaluation of the Potential of Sea Sand as an Alternative to River Sand for Concrete Production in Sri Lanka .....	109
P. JAYASINGHA: Episodic Beach Rock Complex at Bundala Coast Southern Sri Lanka – A Preliminary Study .....	119
R.P.S.K. RAJAPAKSHA, P.N. RANASINGHE, D.T.D.S. WIJESUNDARA, C. AMARASINGHE AND TILAK HEWAWASAM: Paleo-coastal Evolution of Southwest Sri Lanka during the Holocene from Lagoonal Sedimentary Records .....	127
P. WICKRAMAGAMAGE AND D. M. B. C. H. NANDASENA: Origin and Final Cut-Off of the Wanasgalla Watta Meander of the Dikoya, Central Sri Lanka .....	139
S.W. NAWARATNE: Can Traditional Methods be Still Useful in Exploration and Mining of Gem Deposits? - A Review.....	151
KEERTHI NAIR B., BABEESH C. AND HEMA ACHYUTHAN: Late Quaternary–Holocene Paleoenvironmental Reconstruction and Hydrodynamics Based on Some Lakes and Marine Sediments of India: A Review .....	159
BERNARD NIHAL PRAME AND JANAKA AJITH PREMA: Petrology of Charnockitic Granulites and Calc-Silicate Granulites from South-Southeastern Highland Complex of Sri Lanka: Further Constraints for Physico-Chemical Conditions of Their Metamorphic Evolution.....	171
GUIDE TO AUTHORS .....	207
