JOURNAL OF TROPICAL FORESTRY AND ENVIRONMENT

November 2014

Volume 04, Number 02

In this issue...**Feature Article:**

Pterocarpus santalinus (Red Sanders) an Endemic,
Endangered Tree of India: Current Status, Improvement
and the Future

Reviewed Articles:

Relationship of Seed Traits on Initial Progeny Growth
Performance and Divergence Studies in Madhuca
latifolia Macb. for Further Use in Tree Improvement

Allelopathic Potential of Rice Residues of Selected Rice
Varieties (Oryza sativa L.) Against Echinochloa crus-galli

Modelling Total Height of Eucalyptus grandis Hill ex
Maiden

Storage Duration and Temperature Effects of Strychnos
potatorum Stock Solutions on its Coagulation Efficiency

Determination of Volatile Constituents of the Essential Oil
and Absolute of Nyctanthes arbortristis L. Flowers Grown
in the Wet Zone of Sri Lanka

Use of wood characteristics in Identification of selected
Terminalia species growing in Sri Lanka

Stock Density and Fruit Yield of African Walnut in
Tropical Lowland Rainforests of Southwest Nigeria

Treatment of Landfill Leachate using Sequencing Batch
Reactor

Expert Review Panel:

Prof. P.V. Udagama, University of Colombo
Prof. K.M.E.P. Fernando, University of Sri Jayewardenepura
Prof. W.P.T.S.K. Senerath, University of Sri Jayewardenepura
Prof. M.M. Pathmalal, University of Sri Jayewardenepura
Dr. C.D. Jayaweera, University of Sri Jayewardenepura
Dr. S.M.W. Ranwala, University of Colombo
Dr. N.D. Ruwanpathirana, State Timber Corporation, Colombo
Dr. S.D.M. Chinthaka, University of Sri Jayewardenepura

Journal of Tropical Forestry and Environment

Journal of Tropical Forestry and Environment (JTFE) is a peer reviewed international journal that publishes high quality original research articles in forestry, environmental sciences and natural resource management relevant to tropical regions. This is a semiannual journal published by the Department of Forestry and Environmental Science, University of Sri Jayewardenepura, Nugegoda, Sri Lanka. JTFE provides a multidisciplinary forum for discussion of issues and communication of research findings of wider interest to the community of forestry and environmental professionals, especially in the tropical regions. Although the journal has a specific geographical focus, it also welcomes high quality, original submissions of research and review manuscripts on issues of global importance. Acceptance for publication is subject to a double-blind peer-reviewing process.

The Publisher reserves the right to determine the format and the style of the journal and will commit to publish only the original contributions to the field of Forestry, Environment and Natural Resources by respective authors.

Manuscript Submission: Manuscript guidelines and submission instructions can be found at <http://journals.sjp.ac.lk/index.php/JTFE/about/submissions#onlineSubmissions>

Subscriptions:

Print: Price for a single copy is LKR 500; International Price: US\$ 15 (including shipping & handling). Subscribers will receive two copies of each issue. Please make checks payable to Forestry and Environment Society, University of Sri Jayewardenepura.

Online: Online version is open access.

Copyrights: The publisher retains the copyrights of articles published in the journal. All open access articles are distributed under the terms of the Creative Commons Attribution license, which permits unrestricted use, distribution and reproduction in any medium, provided that the original work is properly cited.

Disclaimer: While the advice and information in this journal are believed to be true and accurate on the date of its going to press, neither the editors nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein. The use of general descriptive names, trade names, trademarks, and so forth in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.
