Foreword	xi
Executive Summary	xii
Part 1 :	
An update on biodiversity status, trends and threats, and implications for human well being	2
1. 1 Introduction	2
1.1.1 Sri Lanka's exceptional biodiversity: ecosystems and species: update	2
1.1.2 What this report contains	3
1.2 National and global Importance of Sri Lanka's biodiversity	3
1.2.1 Insight into the earth's evolutionary past	3
1.2.2 Exceptional diversity, endemism and relict species	4
1.2.3 Ecosystems of global importance	7
1.2.4 Role of biodiversity for provision of ecosystem services	8
1.2.4.1. Examples of economically important ecosystem services	14
- Tourism sector	14
- Agriculture sector	15
- Fisheries sector	18
- Energy sector	19
- Water sector	20
- Health sector	20
- Bio-prospecting, bio-mimicry and natural product development	21
1.3 Current status, major changes and trends in the biodiversity	22
1.3.1 Trends in Protected Areas	22
1.3.2 Trends in Forest Systems	24
1.3.2.1 Natural forests	24
1.3.2.2 Forest Plantations	26
1.3.2.3 Grasslands	26
1.3.3 Trends in Non-Forest tree resources	26
1.3.4 Trends in Wetlands	27
1.3.5 Trends in Coastal and Marine systems	28

1.3.5.1	Coral reefs	28
1.3.5.2	Mangroves and Salt Marshes	28
1.3.5.3	Seagrass beds	28
1.3.5.4	Lagoons and Estuaries	29
1.3.5.5	Sustainability of the Coastal and Marine Biodiversity	29
1.3.5.6	Positive action taken to conserve coastal and marine biodiversity	29
1.3.6	Trends in Agricultural systems and livestock breeding	30
1.3.6.1	Agricultural systems	30
1.3.6.2	Livestock Sector	31
1.4	Major threats to biodiversity in the country	32
1.4.1	Threats to terrestrial wild species	35
1.4.2	Threats to wild relatives of crops	36
1.5	Impacts of change in biodiversity for ecosystem services	37
1.5.1	Impacts of habitat loss, fragmentation and degradation	37
1.5.2	Impacts of pollution	38
1.5.3	Impact of over exploitation of biological resources	38
1.5.4	Impact of the spread of Invasive Alien Species (IAS)	39
1.5.5	Escalation of human-wildlife conflict	39
1.5.6	Reduced potential for crop enhancement and bio-prospecting	40
1.6	Possible future changes in biodiversity and their impacts	40

Part 2 :

The National Biodiversity Strategy and Action Plan, Its implementation and the mainstreaming of biodiversity	44
2.1 Introduction	44
2.1.1 Thematic programs and cross-cutting issues established by the CBD	44
2.1.2 National Goal and Broad Objectives of Biodiversity Conservation	45
2.2 The biodiversity targets set by Sri Lanka	46
2.3 Updating the NBSAP to incorporate targets	47
2.4 Actions taken to implement the convention since Fourth NR	47
2.5 Effectiveness of mainstreaming biodiversity	68
2.5.1 Projects and programs	69
2.5.2 Other significant institutional programmes	71
2.5.3 Mobilize stakeholders	72
2.5.4 Further improvements	72

2.6	Progress of implementation of the NBSAP	72
2.6.1	Implementation of Recommended Actions under the BCAP thematic areas	73
2.6.1.1	Progress Related to "Forests"	73
2.6.1.2	Progress related to "Wetlands"	73
2.6.1.3	Progress related to "Coastal and Marine Systems"	74
2.6.1.4	Progress related to "Agricultural Systems"	74
2.6.1.5	Breakdown on level of achievement of BCAP recommended actions	74
2.6.2	Implementation of Priority Recommendations in the Addendum	75

Part 3 :

	Progress towards the 2020 Aichi Biodiversity Targets and Contributions to the relevant Millennium Development Goals	78
3.1	Introduction	78
3.2	Progress towards the implementation of the Strategic Plan for Biodiversity 2011-2020 and its Aichi Biodiversity Targets	78
3.2.1	Strategic Goal A: Address the causes of biodiversity loss	79
3.2.2	Strategic Goal B: Reduce the pressures on biodiversity	83
3.2.3	Strategic Goal C: Improve the status of biodiversity	90
3.2.4	Strategic Goal D: Enhance the benefits to all from biodiversity	94
3.2.5	Strategic Goal E: Enhance implementation through participatory approaches	96
3.3	The contribution of actions to implement the convention towards the Achievement of the relevant targets of the MDGs in Sri Lanka	104
3.4	Lessons learned from the implementation of CBD in Sri Lanka	106

Appendices:

Appendix I:	Information concerning the reporting Party and preparation of the fifth national report	107
Appendix II:	Further sources of information	113

Annexes:

Annex 1:	Detailed case studies of the Central Highlands World Heritage Site	120
Annex 2:	Impacts of actions implemented for prevention/mitigation of threats	122
