

human ingenuity... modern technology

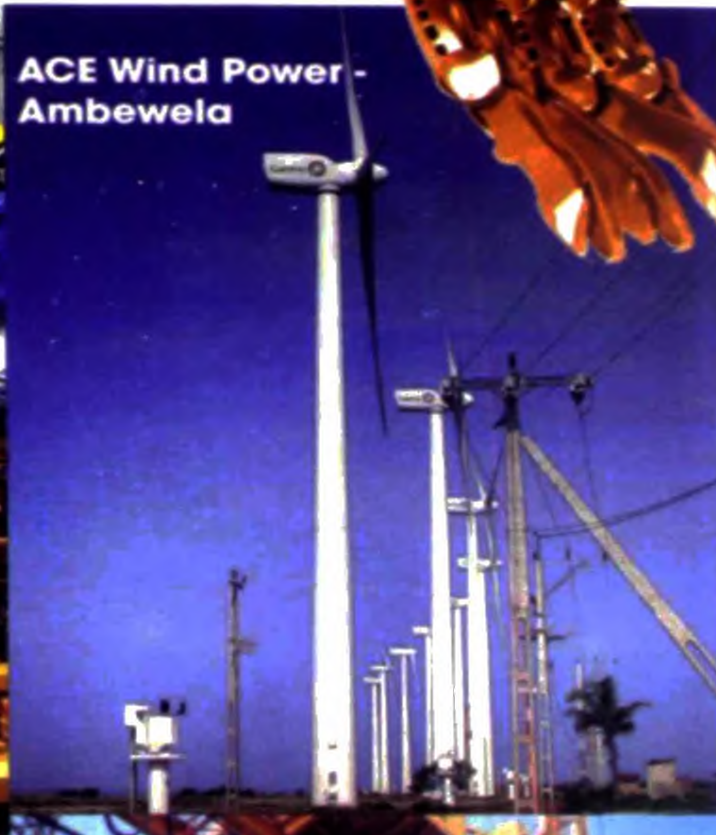

Since inception we have considered challenges as opportunities... viewing them as a catalyst for internal improvement and to add value to our services. We have consistently demonstrated unique ability to be flexible, yet strong, open to modern ideas and methods whilst remaining in control....and innovative.

We are the proven specialists for Hydro Power, Thermal Power, Wind Power, Boilers, Gantry cranes, Storage tanks, Power transmission, Switch yards, Processing plants...from Central Africa to South Asia.

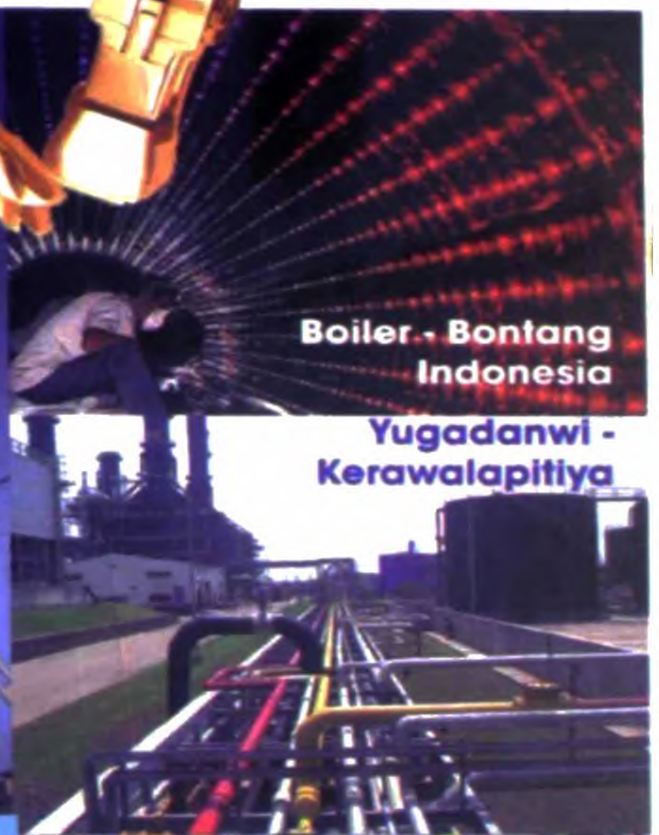

Hydro Power - Ukuwela

GMM Power - Madagascar

ACE Wind Power - Ambewela

Boiler - Bontang Indonesia

Yugadanwi - Kerawalapitiya

Radial Gates - Upper Kotmale

Gantry Crane repair - JCT

Hydro Power - Upper Kotmale

Kivu Watt Power - Rwanda

Yugadanwi - Kerawalapitiya

We look forward to more and more challenges and welcome you on our journey...
